III rd Professional Part II DERMATOLOGY TUTORIAL SCHEDULE (1-2 pm) Every Friday

	82- 110	5			1
	2 69 1	55-81	28-54	1-27	ROLL
	Treatment of I various grades of acne	Treatment of Leprosy and Lepra reactions	Syndromic approach to STDs	Common bacterial infections and its treatment	LL 24 May 2024
	Nutritional Deficiencies	Treatment of various grades of acne	Treatment of Leprosy and Lepra reactions	Syndromic approach to STDs	31 May 2024
iesions	Differential Diagnosis of hypopigment ed and depigmented	Nutritional Deficiencies	Treatment of various grades of acne	Treatment of Leprosy and Lepra reactions	7June 2024
	Investigation s and treatment of fungal infections	Differential Diagnosis of hypopigment ed and depigmented lesions	Nutritional Deficiencies	Treatment of various grades of acne	14 June 2024
	Drug reactions(Urt icaria, FDE, SJS/TEN)	Investigation s and treatment of fungal infections	Differential Diagnosis of hypopigment ed and depigmented lesions	Nutritional Deficiencies	21 June 2024
	cutaneous manifestatio ns of CTDs	Drug reactions(Urt icaria, FDE, SJS/TEN)	Investigation s and treatment of fungal infections	Differential Diagnosis of hypopigment ed and depigmented lesions	28 June 2024 5 July 2024
	bacterial infections and its treatment	3 7 0	Drug reactions(Urt icaria, FDE, SJS/TEN)	Investigation s and treatment of fungal infections	
	7	bacterial infections and its treatment	manifestatio ns of CTDs	Drug reactions(Urt icaria, FDE, SJS/TEN)	
	0	approach to STDs	+ 0 = 0 5	Cutaneous manifestatio ns of CTDs	

PARTICIPATION OF THE PARTICIPA

226 onwa rds	21			
	198- 225	169- 197	140- 168	139
Cutaneous manifestatio ns of CTDs	Drug reactions(Urt icaria, FDE, SJS/TEN)	Investigation s and treatment of fungal infections	Differential Diagnosis of hypopigment ed and depigmented lesions	Deficiencies
Common bacterial infections and its treatment	Cutaneous manifestatio ns of CTDs	Drug reactions(Urt icaria, FDE, SJS/TEN)	Investigation s and t treatment of fungal infections	bilagnosis of hypopigment ed and depigmented lesions
Syndromic approach to STDs	Common bacterial infections and its treatment	Cutaneous manifestatio ns of CTDs	Drug reactions(Urt icaria, FDE, SJS/TEN)	s and treatment of fungal infections
Treatment of Leprosy and Lepra reactions	Syndromic approach to STDs	Common bacterial infections and its treatment	Cutaneous manifestatio ns of CTDs	Drug reactions(Urt icaria, FDE, SJS/TEN)
Treatment of various grades of acne	Treatment of Leprosy and Lepra reactions	Syndromic approach to STDs	Common bacterial infections and its treatment	Cutaneous manifestatio I ns of CTDs
Nutritional Deficiencies	Treatment of various grades of acne	Treatment of Leprosy and Lepra reactions	Syndromic approach to STDs	Common S bacterial infections and its treatment
Differential Diagnosis of hypopigment ed and depigmented lesions	Nutritional Deficiencies	Treatment of various grades of acne	Treatment of Leprosy and Lepra reactions	Syndromic Li approach to Li STDs L
of s and ent treatment of fungal infections	Differential Diagnosis of hypopigment ed and depigmented lesions	Nutritional Deficiencies	Treatment of various grades of acne	Leprosy and v Lepra g reactions
nt of icaria, FDE, substitution Drug reactions(Urt icaria, FDE, substitution SIS/TEN) ns	Investigation of s and treatment of fungal infections	Differential Diagnosis of hypopigment ed and depigmented lesions	Nutritional Deficiencies	various grades of acne
