To,  
The Dean  
Government Medical College and Hospital,  
Nagpur

**Subject:** Request for Approval to Initiate Recruitment Process under the ICMR Multicentric project at RSTRRL, Department of Microbiology, GMC, Nagpur.

Respected Sir,

With reference to the above mentioned project, entitled “Development and evaluation of Long-Read targeted-Next-Generation-Sequencing (LRtNGS) assay for detection of sexually transmitted infections and antimicrobial resistance in high-risk populations in India- A multicentric study” under ICMR, We kindly seek your approval to initiate the recruitment process for the following position

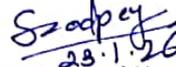

1) Project Technical Support (PTS)-III

The required qualifications and detailed job descriptions for position are specified as per ICMR criteria. I further request your kind approval for publication of advertisement on the college website for the recruitment of this post at the earliest.

Thanking you

Yours sincerely,
